**General rights**

Unless a licence is specified above, all rights (including copyright and moral rights) in this document are retained by the authors and/or the copyright holders. The express permission of the copyright holder must be obtained for any use of this material other than for purposes permitted by law.

- Users may freely distribute the URL that is used to identify this publication.
- Users may download and/or print one copy of the publication from the University of Birmingham research portal for the purpose of private study or non-commercial research.
- User may use extracts from the document in line with the concept of 'fair dealing' under the Copyright, Designs and Patents Act 1988 (?)
- Users may not further distribute the material nor use it for the purposes of commercial gain.

Where a licence is displayed above, please note the terms and conditions of the licence govern your use of this document.

When citing, please reference the published version.

**Take down policy**

While the University of Birmingham exercises care and attention in making items available there are rare occasions when an item has been uploaded in error or has been deemed to be commercially or otherwise sensitive.

If you believe that this is the case for this document, please contact [UBIRA@lists.bham.ac.uk](mailto:UBIRA@lists.bham.ac.uk) providing details and we will remove access to the work immediately and investigate.

<i>Intersubjectivity</i>	<i>Individual</i>	<i>Group</i>	<i>Location of the Snap-creator</i>	<i>Visual perspective</i>	<i>Aural perspective</i>	<i>Meanings</i>
'Zero'			The personal space of the Snap creator is not indexed clearly relative to the represented content.	Content appears at public distance from the camera	Sounds are indexed at or beyond public distance	Look at X Listen to X
Indirect			The personal space of the Snap creator is inferable relative to the content.	Content appears within the intimate or personal distance from the camera	Sounds are indexed within the personal or social space from the camera	Look at X with me or us Listen to X (with us)
Indirect (metonymic)				Body part of the Snap creator appears within the intimate or personal distance from the camera		
Presented			The Snap creator is presented within the personal space from the camera.	Snap creator is shown within the personal space of the camera	Snap creator is heard at a volume that indexes them within the personal space of the camera	Look at me/us, with me/us Listen to me/us, with me/us
